

GOLD MEDAL MESSAGES

Let Olympic and Commonwealth Games Athletes share gold medal messages with your Primary and Secondary School students.

The Australian Commonwealth Games Association, Queensland Division and ACHPER QLD invites Primary and Secondary Schools to participate in the 'GOLD MEDAL MESSAGES' program during 2010. The program involves athletes who have competed at an Olympic Games and/or Commonwealth Games sharing 'GOLD MEDAL' messages with students including insights into their own experiences about the importance of teamwork, giving it their best, respecting others, motivation and goals setting.

The program is aimed at **Primary School** students (including Year 6-7 students & School Leaders) and **Secondary School** students (Including Sports Leaders, HPE classes & Senior Leaders) and can be delivered in a variety of ways including a one-hour presentation or as part of a School's Award Night. There is a small fee associated with each type of presentation which helps to subsidise the athlete's travel costs.

Costs range from approx \$110 to \$330 (incl GST) depending on your schools' preference for method of delivery. Upon receipt of your 'Expressions of Interest' form a Gold Medal Messages Project Coordinator will be in touch within the week to discuss your schools needs.
