

PD4HPE

Gold Coast Performance Centre
Friday 21 October 2022

8:00am-8:20am	Registration & Trade Displays
8:20am-8:30am	Welcome
8:30am-9:15am	Australian Curriculum: Health and Physical Education v9 An overview of the changes and implementation plan for the Australian Curriculum, Health and Physical Education v9 Nikki Patton, QCAA
9:20am-10:30am	Developing task-specific standards (marking guides) for HPE This session focusses on using the QCAA standards elaborations as a tool for making consistent, comparable and defensible judgments about how well, on a five-point scale, students have demonstrated what they know, understand and can do. The following characteristics of task specific standards will be developed <ul style="list-style-type: none"> • Aligned to the curriculum, assessment and achievement standards • Accurate, defensible and comparable • Individualised and meaningful • In plain language, so they are easy to interpret and understand Nikki Patton, QCAA Amy McCabe, ACHPER QLD
Break	
11:00am-12:30pm	Active play and minor games This session focuses on the educative purpose of the focus area, Active play and minor games for skill development in Years 3 - 6. Teachers will participate in and explore in developmental movement skills and sequences in collaboration with, Tennis Australia, Cricket Queensland, Football Australia and Grotto Golf. In addition, teachers will expand on ways to represent the learning that has occurred with teacher, peer and self-assessment tools that are quick to use and effective at instantly identifying evidence of individual student learning.
Break	
1:15pm-2:45pm	Fundamental movement skills This session focuses on exploring fundamental movement skills of stability, locomotion and object control. Teachers will get to participate in insightful motor

	<p>skill activities designed in progressive stages for Prep to Year 2 in collaboration with Gymnastics Queensland, Tenpin Bowling Australia and Bocce Australia.</p> <p>Teachers will also receive ACHPER QLD templates that will help to effectively communicate to families, classroom teachers and admin the importance of the fundamental movement skills being taught in their lessons and how to better support student performance at home and in the classroom.</p> <p>Sharron Mitchell-Cowan, HPE Specialist, Arundel State School Amy McCabe, ACHPER QLD</p>
2:45pm-3:00pm	Conference feedback and close
